

ABOUT US

RMF Consulting Group brings fifteen years of experience in the check cashing, payday loan, signature, title and internet loan field of management and operations. Robert Frimet, Founder and President of RMF Consulting Group, LLC has participated in the buildout and oversight of 35+ locations in four states.

Robert has served as President of the Nevada Financial Services Association, and on the board of directors of the Financial Service Centers of America. He has been instrumental in creating policy and procedure for the check cashing, payday, and other loan providers such as title loan, signature loan, and most recently internet loan providers. Robert is also a proud member of the Association of Certified Anti-Money Laundering Specialists.

Robert Frimet and his group of associated professionals bring extensive experience in the field of operations, marketing, regulatory and compliance issues, as well as various legal issues surrounding a financial services business operation.

Should you be looking to start a check cashing or loan operation, consider RMF Consulting Group. We are not a franchise operation and therefore do not charge excessive franchise fees.

Whether you require a turnkey operation, anti-money laundering programs or reviews, check fraud or compliance training, or a "third eye" to audit an existing location or train staff, consider RMF Consulting Group for all your needs.
