

# TURN KEY SOLUTIONS

RMF Consulting Group offers complete turn key business opportunities relating to check cashing, payday loan, auto title loan, signature loan, and internet loan operations. With our group of professionals, RMF Consulting Group offers a multitude of services to get you on track, open and operating.

We do not offer franchise or investment opportunities and never charge ongoing fees. Everything RMF Consulting Group offers is negotiated with the client prior to any services being offered. The client is apprised each step of the way from beginning to end and participates in the process of opening their business of choice.

Mr. Frimet has served as a state president of the Nevada Financial Services Association and on the board of directors of FISCA, the national check cashing association. Mr. Frimet has been instrumental in creating policy and procedure for check cashing and payday loan providers as well as Auto Title Loan, Signature Loan and most recently, Internet Loan providers as well. Mr. Frimet is also a member of ACAMS (Association of Certified Anti-Money Laundering Specialists). We have years of experience in all facets of the financial service business.
